

Dear Community Member,

I would like to ask you to consider a donation to our Carol Rude Scholarship Fund, through Riverside Council PTA. The scholarship was created in memory of our past president, Carol Rude, who died from a long battle with breast cancer. She remained a volunteer in PTA until her battle ended.

We have encouraged the youth in our community to participate in volunteerism, and to become a member of PTA. We want to recognize their efforts as they continue on to college. Each year we give several \$1,000 scholarships to well deserving students.

Our scholarship funds are raised at our annual recognition luncheon, by creating gift baskets with donated items, which are then awarded in an opportunity drawing.

We hope you will make a donation by way of gift certificate, monetary donation or specialty item according to your business. It's a wonderful way to bring recognition to your business, and support the local youth in our community, who have a desire to continue on to higher education.

Please use our tax ID # 956206449 in recognition of your donation.
Thank you for your consideration.

Tamara Blackmore
Carol Rude Scholarship Chairman
